

Web Front-end Developer

Job Title: Web Developer (UX/UI)

Location: Vadodara

Job Type: Full-time

Company: Future Link Consultants

Job Overview:

We are seeking a talented and motivated Web Developer to join our dynamic team. The ideal candidate will have a strong foundation in both frontend and backend development, possess a keen eye for design, and be passionate about creating user-friendly web applications. You will work closely with our design and marketing teams to deliver high-quality digital experiences.

Key Responsibilities:

- Develop and maintain responsive and user-friendly websites using HTML, CSS, and JavaScript.
- Implement backend services and APIs using frameworks such as Django or Node.js.
- Convert UI/UX wireframes and requirements into functional and visually appealing websites.
- Optimize websites for maximum speed and scalability.
- Ensure the technical feasibility of UI/UX designs.
- Manage database systems and ensure data integrity and security.
- Write clean, maintainable, and efficient code.
- Conduct website testing and troubleshooting for cross-browser compatibility.
- Stay up-to-date with emerging technologies and industry trends to continuously improve our digital offerings.
- Plan and execute SEO strategies to improve website visibility.

Qualifications:

- Bachelor's degree in Computer Science, Web Development, or related field (or equivalent experience).
- Proven experience as a Web Developer or similar role.
- Proficiency in HTML, CSS, and JavaScript frameworks (e.g., React).
- Experience with backend programming languages and frameworks (e.g., Python, Django, Node.js).
- Familiarity with database management (MySQL, PostgreSQL, MongoDB).
- Understanding of responsive design techniques and best practices.
- Knowledge of version control systems (e.g., Git).
- Strong problem-solving skills and attention to detail.
- Ability to work independently and collaboratively in a team environment.
- **Mandatory:** Hands-on experience with WordPress, Elementor, and Hostinger.

Preferred Skills:

- Familiarity with graphic design tools (e.g., Adobe XD, Figma) is a plus.
- Basic knowledge of SEO best practices.
- Experience with content management systems (e.g., WordPress).
- Understanding of web accessibility standards.

Benefits:

- Competitive salary and benefits package.
- Flexible working hours and remote work options.
- Opportunities for professional development and career growth.
- A collaborative and innovative work environment.
